STUDY

INTRODUCTION

In the stillness of the morning, when the first rays of light kiss the earth, a gentle whisper stirs the depths of our souls.

It is the call of God, beckoning us to awaken from our slumber and embrace His divine purpose for our lives.

Each day presents a new opportunity to respond to His call, to surrender our will and align ourselves with His perfect plan.

Let us dive into this Christian Bible study, exploring the significance of waking up and answering the call of God.

SPIRITUAL SLUMBER

Read and meditate on Romans 13:11-12:

'And do this, understanding the occasion. The hour has come for you to wake up from your slumber, for our salvation is nearer now than when we first believed. The night is nearly over; the day has drawn near. So let us lay aside the deeds of darkness and put on the armour of light.'

Discussion Questions:

1. What does it mean to be spiritually asleep or in a state of spiritual slumber?
2. What are some common causes or triggers of spiritual slumber?
3. How can we awaken from spiritual slumber and rekindle our passion for God?

HIS VOICE

Read and discuss John 10:27:

'My sheep listen to my voice; I know them, and they follow me.'

Discussion Questions:

1. How can we distinguish the voice of God from our own thoughts or the voice of others?
2. What are some practical steps we can take to cultivate a receptive heart to hear God's voice?
3. Can you share a personal experience when you heard God's voice clearly, and how it impacted your life?

PURPOSE

Read and reflect on Psalm 139:14:

'I praise you because I am fearfully and wonderfully made; your works are wonderful, I know that full well.'

Discussion Questions:

1. What do you believe is your individual purpose as a Christian?
2. Have you ever experienced moments of doubt or uncertainty about your individual purpose? How did you handle those feelings?
3. How does your individual purpose connect with the greater mission of spreading the Gospel and serving others as a follower of Christ?

HIS GUIDANCE

Read and reflect on John 16:33:

“I have told you these things, so that in me you may have peace. In this world you will have trouble. But take heart! I have overcome the world.”

Discussion Questions:

1. How can we discern and recognise God's guidance in our lives?
2. What biblical examples demonstrate God's guidance and how can we apply those lessons to our own lives?
3. What role does the Holy Spirit play in leading and directing us according to God's will?

CONCLUSION

As you start each day, remember to awake to the call of God, surrendering your life to His will.

By embracing His purpose and trusting in His guidance, you will experience a profound transformation and walk in the abundant life He has prepared for you.
